## Seniors 2012

I believe the celebration of becoming a Senior should begin with a relaxing portrait session. It's definitely okay with me to laugh and have fun during the session!

All images will be printed on high-quality, professional photographic paper and specially coated to provide protection from fingerprints and UV rays. Mounting your prints on matboard gives the image extra support while helping to preserve the value of the print over time.

- ❖ Photographer's Fee = \$105 per subject. Includes up to a 1.5 hour photo shoot (studio & outside combined), unlimited clothing changes, a personal Gallery created on the website for image review/ordering, one image retouched in your Gallery to display how ordered portraits will look after this process, and a yearbook image to turn in to your school. Please provide me with your school's specifications.
- ❖ Studio Rental Fee = \$75/hour. I use a local studio for indoor portraits. This fee can be split between two seniors with each receiving a ½ hour studio session.
